BRING YOUR LOVE INSIDE. WE HAVE YOU COVERED.

Indoor ceremony locations

To make sure you will enjoy every magical moment of your big day no matter the weather, you can choose between three alternative plans for an indoor wedding ceremony.

The Pavilion

Ceremony setting

Hold your ceremony in The Pavilion, beneath rustic exposed beams with views of Mt. Lady McDonald.

Our staff set the seating theatre style for the ceremony, then reset for the reception.

This option adds a \$2000 service charge and requires 3 hours between ceremony and reception for the reset. Staff need 24 hours' notice (48 hours' notice if you are granted early room set) to prepare.

It's the responsibility of the client to place and arrange all reception decorations (cake, centre pieces, etc.) in the room after the reset.

Reception setting

Hold your ceremony in The Pavilion, with the same rustic luxury, decorations, and seating as your reception.

Your guests will sit at the same tables they will dine at for the reception, with no reset required.

We require 30 minutes notice before the ceremony for this option. Offered at no additional cost.

The Sinclair Room

Hold your ceremony in The Sinclair Room, our secondary venue for indoor wedding ceremonies.

Accommodating up to 120 guests, this space feels like a luxury alpine lodge with its exposed beams, large windows, and majestic mountain views.

The Sinclair Room can be booked as a ceremony alternative option for no additional charge and without notice.

The Sinclair Room is only available for ceremonies, not receptions.

Your gourmet menu

The heart of your celebration is the moment you sit down with your most cherished guests to laugh, share stories, and revel in a feast to match the splendor of the occasion.

At Silvertip Resort, you choose your reception menu from curated meal options designed to wow your guests. Select from meticulously curated options crafted from our talented culinary team's finest local alpine ingredients.

From food preferences to dietary restrictions and course pairing, our culinary team guides your hand in creating an indulgent dining experience your guests will remember.

Plated dinner service

The ultimate in white-glove dining, our plated dinner service brings gourmet to you and your guests.

During planning, our culinary team walks you through our plated offerings for each of the three (or more) courses, along with options for upgrading dishes.

If you wish to pair wines with your menu, your event team can help guide through our offerings.

Menus and pricing are guaranteed 90 days prior to your event date.

Complimentary menu tasting

Whether you choose plated service or a buffet dinner, you can sample and select the perfect dishes for your wedding day – on us.

- Available from October to May as determined by our Executive Chef
- Additional guests who wish to attend the tasting will be required to pay the cost of the meal as per current menu pricing

Only available for couples who have signed their contract and paid their deposit.

Buffet dinner

Perfect for more informal receptions, our gourmet buffet dinner brings you and all your guests together.

During planning, your event team will walk you through our buffet menus, along with your options for upgrading each menu to your specifications.

Buffet dinners require at least 50 guests.

It is decorated with a large red rose and some greenery. Behind it, a three-tiered silver stand holds several cupcakes with white frosting. Wedding cakes & cupcakes

The icing on top of your
elegant mountain wedding.

Bring your own cake or cupcakes for our team to cut
and platter for guest self-service at no additional charge.

If you would like your cake individually plated for
table service, an additional charge of \$2.00 per person
(plus service charge and GST) will apply.

Your classic bar

Whether you prefer to toast with champagne, clink cocktail glasses or keep it alcohol-free with mocktails, our events team can help you design a bar menu that everyone can enjoy.

Your events team will walk you through your options as you create the right bar for your celebration. Your options include access to our extensive wine cellar, house cocktails, an array of craft beers, and the opportunity to include personalized cocktail features.

All bar options include wine, beer, and spirits with addition of cocktails, as decided by you.

Flexibility to customize

Subsidized bar

You determine one pre-set price for all alcoholic beverages (from \$1 to a maximum of \$8 per drink).

Your guests pay the pre-set amount, then you cover the difference between your pre-set price and the drinks' actual menu price, plus tax and gratuity.

Host bar

You cover all bar costs.

Billing is calculated on the total consumption of all alcohol, plus tax and gratuity.

Host your cocktail hour

Treat your guests and start the celebration early with a host bar for cocktail hour between your ceremony and the reception. This option is only available for couples who choose a subsidized bar for the reception.

Please note:

- Your bartender needs at least 30 minutes to switch between bar service options
- All alcohol must be purchased from Silvertip Resort
- We provide the liquor, ice, glassware, mixes, and bartender service
- We do not offer a bar option where the guests pay the full price plus service charge and tax.

The finer details

Accommodations

Silvertip Resort does not offer accommodations on site. However, just six minutes from the resort, Canmore has an array of hotels and accommodations for you to choose from. Your events manager would be happy to provide you with a list of preferred accommodation providers for your reference and booking.

Transportation

Whether you're flying in for your wedding, or making a quick honeymoon escape, Silvertip Resort is just over an hour's drive from Calgary International Airport.

To keep your reception safe and fun, we've partnered with Patagonia Chauffeur Services to offer you a discount rate for an evening shuttle from Silvertip Resort to your guests' accommodation in Canmore. The shuttle runs from 10:30 p.m. to 2:00 a.m.

If you wish to arrange a limousine or hired car service for your wedding party your events team will arrange convenient parking to make your arrival and departure seamless.

In the summer, Silvertip Resort offers a complimentary driver and six-person shuttle cart to transport the wedding party, and guests requiring extra assistance, from the reception venue to the Gazebo for the ceremony. The shuttle cart cannot leave the resort area, and a Silvertip Resort employee must be always driving.

Audio/visual equipment

We have state-of-the-art A/V equipment available, including flat-screen televisions and ceiling-mounted projectors. This equipment is limited, so please inquire early with your Silvertip Resort Events Manager to ensure you can reserve your equipment on your date.

All events at Silvertip Resort are obligated to include SOCAN and Re:Sound fees. Both SOCAN (Society of Composers, Authors and Music Publishers of Canada) and Re:Sounds (formerly the Neighbouring Rights Collective of Canada) collect copyright licensing fees on the behalf of artist(s) and record companies. The fee is designated per event and based on venue capacity. It is not revenue for the resort and the fee applies even if a live music act is not present. The Copyright Board of Canada's website at www.cb-cda.gc.ca/ has more information.

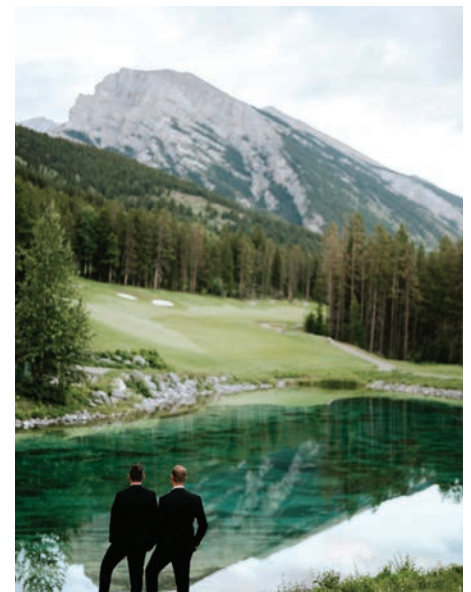

Additional decorative accents

Please give us prior notice if you wish to use real flower petals in your ceremony. As stewards of our slice of nature, artificial flower petals, confetti, glitter, candle wax, hay bales, rice, etc. are restricted at our venues.

Celebrate your bachelor/ bachelorette party with Silvertip Golf Course

Stop time and enjoy fresh mountain air as you and your closest friends enjoy a round of golf at one of the best courses in the country. Then, finish off the day at Rustica Steakhouse with the best steak Alberta has to offer.

Silvertip Resort is not just the perfect space to celebrate your coming nuptials, but also serves as a door to the Rockies. Whether you want to include hiking, sightseeing or camping with your celebration, or just golf at a scenic course off the beaten path, Silvertip is your doorway to a memorable bachelor or bachelorette party.

Fine print

Silvertip Resort requires a valid credit card on file to guarantee your booking. We accept credit cards, cheques, e-transfers, and bank drafts as payment.

A non-refundable deposit is required to guarantee your booking. The deposit amount is equivalent to the room rental rate. You will be charged 5% GST on your room rental, which will go on your final deposit.

Six months before the wedding: 50% of your food and beverage minimum with 5% GST plus an 18% service charge is due. Three months before your wedding, the remaining 50% of your food and beverage minimum and 5% GST plus an 18% service charge is due.

In the event of non-payment, Silvertip Resort reserves the right to cancel the event. There will be no refund of previously paid deposits.

Twenty-one days before your wedding: the remaining estimated total, based on actual food and beverage choices, including projected bar revenues plus an 18% service charge and GST, is due (less your first three deposit amounts). Please note that this amount is only an estimate based on the information you provided to Silvertip Resort. Payment of this deposit is based on the estimate created by your Events Manager.

Final attendance guarantees are required five days in advance of the Event. Food and beverage provisions will be made for 5% over and above the final guarantee; however, final charges will be based on the actual number attending or the final guarantee, whichever is greater. Note that last-minute changes (within five days) and/or additional requests are subject to availability and a surcharge.

Couples are responsible for paying all projected bar revenues, including any subsidized cash bar contributions, twenty-one days before the wedding. Any cash collected from liquor sales on the event date will be applied to the master account invoice.

Our function space is licensed to serve alcohol until 1:00 a.m., with last call at 12:30 a.m. Any hired entertainment (i.e., DJ, band, etc.) is to finish by 1:00 a.m. The function space is to be vacated by guests by 1:30 a.m.

Within thirty days following your event, you will receive the finalized invoice for your event. If there is an outstanding balance from the event, it is due within thirty days of receipt of the invoice. Silvertip Resort will issue the refund to the credit card on file or by cheque upon request if you are owed a credit.

All deposits are non-refundable. If you wish to cancel your wedding, all deposits paid will be forfeited.
